Saltwater Revival
136 Carolina Avenue
Holden Beach, NC

Pool/Patio Info

- Pool is cleaned twice weekly during summer season and weekly during spring, fall & winter
- Pool heat is provided at no charge during mid-season (Apr, May, Sep, Oct) for 7+night rentals. It is available for shorter stays during mid-season for a charge of $40/day. It is available Mar & Nov if weather will be above 50 degrees 24/7 for a charge of $75/day. The heat must be turned on the entire stay and paid for at least 5 days prior to arrival. Heater has a max temp of 88 degrees.
- The switches for the **pool lights and patio string lights** are located in the back left corner of the patio.
- Outdoor **Bluetooth speakers** are located under the deck. To use, switch on the patio string lights, connect to the speakers on your device and use PIN 0000. No loud music.
- Please keep **TV remote** away from water and return to cabinet after use and **close TV cabinet** when not in use.
- If you are guests during the off season, please cover **fire pit** and open **wind curtain** when not in use. There is an extra propane tank in storage box on the patio. Please let us know if you install so it can be refilled.
- **Departure**: Please **empty trash can**. Extra trash bags are located in the bottom of the can.

Pool Rules

- All gates entering the pool area are to remain closed/latched except while entering or exiting
- There is no Lifeguard on duty and all guests swim at their own risk
- Please shower before entering the pool to remove sand if you have been to the beach
- No food in the pool
- No glassware in the pool or on the pool deck
- No diving, running, boisterous or rough play
- No children under the age of 14 years old shall use the pool without adult supervision
- No tampering with the pool equipment. Pool equipment and heater are monitored electronically
- **Remove all toys, floats, etc. daily** before leaving the pool area. **No toys smaller than 4"** in diameter. Smaller toys can be vacuumed up by the pool maintenance company or get caught in the skimmer and cause a heater error code which shuts it off the pool pump until reset by the pool maintenance company
- **Departure:** Return all **yard balls, games and pool floats etc.** to the patio storage box

Liability Waiver

I acknowledge that I have read and understand the above pool/patio info and pool rules. I accept responsibility for the safety of all users of the pool and pool area during my stay and release Larry & Linda Cranford of any liability which may incur in relation to improper use and any loss, damage or injury arising from that.
